RE: Ecology Approval of the Town of Cathlamet Shoreline Master Program Periodic Review Findings of Adequacy

Dear Mayor Olson:

The Department of Ecology is pleased to announce approval of the Town of Cathlamet Shoreline Master Program (SMP) periodic review - findings of adequacy. Ecology finds the Town of Cathlamet's SMP consistent with the policy and procedural requirements of the Shoreline Management Act and its implementing rules.

Ecology's approval concludes the Town of Cathlamet's periodic review under RCW 90.58.080(4) following procedures outlined in WAC 173-26-090. Ecology's approval affirms the existing SMP remains consistent with the applicable provisions of the Shoreline Management Act and its implementing rules.

Ecology is required to publish a newspaper notice of this final approval. The publication of this notice, in the form of a legal ad, will begin a 30-day appeal period. We will provide a copy of the legal ad to the Town of Cathlamet for its records.
